"Momentinlife"

have you ever had a day when nothing goes your way
all you do seems to be in vain and everything is a
waste of your time

chorus

but have you ever had that moment in life
when everything is cool (yeah)
didn't have to worry about the time
it all went as it should
and you were having the greatest moment in life (yeah)
don't you worry about the past cause
it's gonna be what it is
all that you can do is try to
make your future beautiful
and let it be the greatest moment in life

(cee-lo)

I remember almost every december when we were
critters
and mama said that there was only one thing she could
get us
when God must have been with us
cause it is heavenly joy
when you wake up Christmas morning to every toy
then there's the birth of my boy
here to inherit the rhythm
and when I see it in him I ask myself what more can I
give him
and I would love to but I can't spend every moment with
him
it's just those big ole eyes that encourage me to keep
living
hey, ohh when I'm singing I'm sharing,
or rhyiming I'm shining my light
and although the love is so blinding I still end up
finding my wife
all I can is reminisce cause there is no rewinding my
life
but the futures so that its almost blinding my sight

It's like all a sudden your life is so cool

cause everything in it is working for you
your friends and your family are getting along
it feels like when you hear your favorite song
or when you know that you got money to spend
you never want that moment to end (repeat)
