First things first girl recognize  
Who is wit you now  
Second thing, can't blame me for  
How you were treated before I came see  
I'm not Steven, Anthony even, Leroy or Ivan  
Damn girl I've been right there for you  
Since day one, so where's all this coming from

[Chorus]

See now I'm not to blame for the pain  
That was caused by previous cats, yeah  
Who had your heart before me, girl no  
I'm not to blame for the pain  
That was caused by previous cats  
You gotta see me for me

[Verse 2]

Now what is with all the questioning about  
Where I've been and why must you roll your eyes  
When I say she's just a friend I knew before  
Not like I call you Sabrina, Pam or Tanisha  
Andrea either. Girl we go deeper then any other  
I had before so tell me why you ignore.

[Chorus]

[Bridge]

Now I don't know (I don't know)  
What them young boys did (what them young boys did)  
To make you insecure, but I think you need to let it go  
(Let it go) don't let your past get all in the way  
Cause what is here today may not be guaranteed  
tomorrow  
I'm not out of line just speaking my mind when I say  
that I  
I put in to much time for another's brother's crimes.
