Yes baby
Won't you let me tell you
How I feel about you babe?
Babe

Oh no, oh no
Oh no, oh no, oh no
Oh no, no, no, no, no
Oh no
Oh, this baby
Oh, oh, oh, yeah

Say one, Sunday morning
I woke up with you on my mind
Yeah, cuz I knew later on I'd see you
In your glory, yeah, lookin' so fine
Yeah, now I could be a little forward
And do things to show you how I feel
But I don't want to be disrespectful
So I just be waitin' for the day
You baptize me with your kiss
Oh girl, cuz see

The more I get to know you I
Hope and pray to, everyday do
Whatever's righteous and true
Cuz your love is so religious, yeah
And babygirl don't you know I
Worship the ground that you walk on?
And live by your every word
Cuz your love is so religious, yeah

I wanna thank your father
For making you on that day
And give blessings to your mother
For raising you so heavenly
Now in my heart I know for certain
Without an ounce of doubt in my mind
That I can preach the whole entire sermon
Yeah, just to testify all the goodness of your love

The more I get to know you I

Hope and pray to, everyday do
Whatever's righteous and true
Cuz your love is so religious, yeah
And babygirl don't you know I
Worship the ground that you walk on?
And live by your every word
Cuz your love is so religious, yeah

What I want?
Is your love
Take me higher, baby
Take me higher, baby
It's what I believe
Is what I need
To spend one life of wholesome and good love

The more I get to know you I
Hope and pray to, everyday do
Whatever's righteous and true
Cuz your love is so religious, yeah
And babygirl don't you know I
Worship the ground that you walk on?
And live by your every word
Cuz your love is so religious, yeah

The more I get to know you I
Hope and pray to, everyday do
Whatever's righteous and true
Cuz your love is so religious, yeah
And babygirl don't you know I
Worship the ground that you walk on?
Live by your every word
Cuz your love is so religious, yeah

The more I get to know you I
Hope and pray to, everyday do
Whatever's righteous and true
Cuz your love is so religious, yeah
And babygirl don't you know I
Worship the ground that you walk on?
Live by your every word
Cuz your love is so religious, yeah
