[Verse 1]

You're my baby,
my lover, my lady
All night,
you make me
want you it drives me crazy
I feel like you
were made just for me babe
Tell me if you
feel the same way
'Cause it just feels so right
I don't wanna waste no time
If I had to choose I know
I'm gon' always choose to be with you
'Cause girl don't you know

[Chorus] x2

Girl don't you know, you're so beautiful
I wanna give all my love to you girl
Not just tonight, but the rest of your life
I wanna be always here by your side

[Verse 2]

When you're not here
you don't know how much I miss you
The whole time on my mind
Is how much I'm gonna get to make
You feel so good like you know I could
Tell me if you
feel the same way
'Cause it just feels so right
I don't wanna waste no time
Girl if I had to choose I know
I'm gon' always choose to be with you
Girl don't you know

[Chorus]

Girl don't you know, you're so beautiful (yeah, babe)
I wanna give all my love to you girl (my love, you girl)
Not just tonight, but the rest of your life (you're my)
I wanna be always here by your side (always here by
your side)

Girl don't you know, you're so beautiful
I wanna give all my love to you girl (I wanna give all my
love to you girl)
Not just tonight, but the rest of your life
I wanna be always here by your side

[3x]

Baby don't you know (baby don't you know)
You're so beautiful, beautiful
