Got me really speechless babe
You got me really speechless babe
Verse I:
Darling baby
Got me going crazy
I can't seem to get you out of my
You look so good to me gotta tell
Even my friends wonder about me
Day and night I think about you
Don't know what I go through to forget about you
I can't say that I know much about you
Can't say that you know much about me
Hook:
All I know you got me speechless (x2)
Verse II:
Now I've seen plenty girls in my
Like you I never had the pleasure
Before I get too far ahead of my
Heart says I need to be wit you I
I don't mean to be comin' off like
I apologize if I'm being
But I'm really diggin on
And I'm hoping you feel it too
Hook (x2)
Bridge:
What I can't figure out is
Why it's so hard for me to find
The right words to say to you no matter how many
words I use
Nothing's good enough to tell you how I feel about you
baby
How, how, how
