Oh yeah
Alright, alright, alright
Alright, alright

We've been chillin' together for a while
And I'm findin' it hard to figure you out
See, 'cause I can't tell if you wanna be my girl
Or just cool

First you catch an attitude when my phone goes off
Sometimes you act like you don't care at all
Things that you say and do leaves me so confused
When you know I'm feelin' you

Won't you quit playin' baby?
Why you gone front?
Won't you just say it?
Say what you really want
If you ain't wit it, just stop
Leadin' me oh-oh-on

I don't mean to pressure you, baby
But you really need to make up your mind
Let me know what you really want and stop wastin'
Wastin' my time

'Cause on the real, real
I could be out and find someone who's down wit what
I'm about
Instead I'm waitin' on you to decide if I'm
The one that you want in your life

Won't you quit playin' baby?
Why you gone front?
Won't you just say it?
Say what you really want
If you ain't wit it, just stop
Leadin' me oh-oh-on

Hey baby, tell me why must you treat me this way?
How about you come on and stopplayin' these games
Let me know what it is that you really wanna do

So I can know how I should feel when I'm dealin' wit you

Won't you quit playin' baby?
Why you gone front?
Won't you just say it?
Say what you really want
If you ain't wit it, just stop
Leadin' me oh-oh-on

Won't you quit playin' baby?
Why you gone front?
Won't you just say it?
Say what you really want
If you ain't wit it, just stop
Leadin' me oh-oh-on
