I was told the true definition of a man
Was to never cry
Work til you tired
Got to provide
Always be the rock for my fam
Protect them by all means
And give you the things that you need baby
Our relationship is suffering
Trying to give you what I never had
You say I don't know how to love you baby
Well I say show me the way
I keep my feelings deep inside I
Shadow them with my pride I
I'm trying desperately baby just work with me
Baby
Teach me how to love
Show me the way to surrender my heart
Girl I'm so lost
Teach me how to love
How I can get my emotions involved
Teach me
Show me how to love
Show me the way to surrender my heart
Girl I'm so lost
Teach me how to love
How I can get my emotions involved
Teach me
How to love
I was always taught to be strong
Never let them think you care at all
Let no one get close to me
Before you and me
I done shared things with you girl bout my past
That I'd never tell
Tell anyone else
No
Just keep it to myself
Yeah
Girl I know I lack affection
And expressing my feelings
It's took me a minute
To come and admit this

But see
Iâ€™m really trying to change now
Wanna love you better show me how
Iâ€™m trying desperately baby jus work wit me
Teach me how to love
Show me the way to surrender my heart
Girl Iâ€™m so lost
Teach me how to love
How I can get my emotions involved
Teach me
Show me how to love
Show me the way to surrender my heart
Girl Iâ€™m so lost
Teach me how to love
How I can get my emotions involved
Teach me
How to love

Aint no body ever took the time to try teach me what
love was but you
And I ant never trusted no one enough to let them tell
me what to do
Teach me how to really show it in
Show me how to really love you baby
Teach me
Please just show me yeah
Iâ€™m willing to let go of my fears
Girl Iâ€™m serious about all that I say
Girl I wanna love you
With all of my heart
Baby show me where to start
Teach me how to love
Show me the way to surrender my heart
Girl Iâ€™m so lost
Teach me how to love
How I can get my emotions involved
Teach me
Show me how to love
Show me the way to surrender my heart
Girl Iâ€™m so lost
Teach me how to love
How I can get my emotions involved
Teach me
How to love
Teach me
How to love
Baby
Girl just teach me to love you better
Know I wanna love you better
Girl
Girl yea
