I wanna go to a place, just you and me  
even your imagination can't foresee  
we go together like a boat and sail,  
live happily after like a fairytale

Fairytale, Fairytale  
Fairy, Fairy,  
Fairytale

Ooh, ooh, ooh, ooh

hey girl, run away with me  
we can go any place you want,  
have fun and chill in the sun,  
or wait until the night

some place faraway from here  
don't worry you are safe with me  
anywhere you say and you please,  
im tired of being here now

I wanna go to a place, just you and me  
even your imagination can't foresee  
we go together like a boat and sail,  
live happily after like a fairytale

Fairytale, Fairytale  
Fairy, Fairy,  
Fairytale

Ooh, ooh, ooh, ooh

now that i, i have got you here  
you see there's no reason to fear

we have so many things to share  
i don't want this to ever end

time is passing, and we don't notice  
we're so deep in our abyss  
we both know, we don't wanna let this go  
i wish time was slow

you don't have to be afraid  
i can guarantee with me your safe  
it'll be our little get-a-way  
soon it will be your favorite place

i want to be here with you forever  
nothing or no one can ever come between us  
it's surreal being here with you  
i know together we'll never want to leave

I wanna go to a place, just you and me  
even your imagination can't foresee  
we go together like a boat and sail,  
live happily after like a fairytale

Fairytale, Fairytale  
Fairy, Fairy,  
Fairytale

Ooh, ooh, ooh, ooh
