i noticed ya eyein me  
and i wanna know if ya feelin me  
so  
lemme make my way over  
touch you on ya shoulder  
maybe get to know each other  
before the night is over

i can't leave here without you  
girl, tonite  
i see you feelin the flow flow flow flow  
we've been dancing on the floor floor floor floor  
and i think we're ready to go go go go  
get to know me a little bit more

hey, dont try to lie  
i can see ya body moving from the lights  
oh  
we can dance slow  
move a little bit fast  
i don't wanna let you pass  
i might go home with her

i can't leave without you  
girl, tonite

i see you feelin the flow flow flow flow  
we've been dancing on the floor floor floor floor  
and i think we're ready to go go go go  
get to know me a little bit more

yo, im goin crazy  
feels like my head is spinning  
hey  
you gotta take my hand  
let me know if you can  
i'm walking out with you  
now you feeling me too

i can't leave without you  
girl, tonite  
i see you feelin the flow flow flow flow

we've been dancing on the floor floor floor floor  
and i think we're ready to go go go go  
get to know me a little bit more
