what did ya say  
i didn't hear  
and even if i did, i probably wouldnt care  
you playin yourself  
you're negative  
its funny no one even listenin to that ish oh.

ya hate is pointless,  
on my accomplishments  
you could be doing something instead of being jealous  
you lookin like a fool  
hate does no one no good  
no one has time to listen to some little ridicule

sippin on that haterade  
you talkin greasy like you gettin paid.  
the way you talkin  
you should be ashamed  
nobody cares what you have to say

wasting your breath breath  
i'm here to stay stay  
instead of talking you should get your own pay

what did i do  
to you  
to make you come outta pocket the way you do oh

ya hate is pointless,  
on my accomplishments  
you could be doing something instead of being jealous  
you lookin like a fool  
hate does no one no good  
no one has time to listen to some little ridicule

sippin on that haterade  
you talkin greasy like you gettin paid.  
the way you talkin  
you should be ashamed

it takes so much more energy  
instead of positivity it's envy

think you going somewhere with this reprimand  
all you do is hurt yourself in the end

Hater-ade  
ha ha ha hater-ade  
hater-ade  
ha ha ha hater-ade  
Hater-ade  
ha ha ha hater-ade  
hater-ade  
ha ha ha hater-ade

ya hate is pointless,  
on my accomplishments  
you could be doing something instead of being jealous  
you lookin like a fool  
hate does no one no good  
no one has time to listen to some little ridicule

sippin on that haterade  
you talkin greasy like you gettin paid.  
the way you talkin  
you should be ashamed

Hater-ade  
ha ha ha hater-ade  
hater-ade  
ha ha ha hater-ade  
Hater-ade  
ha ha ha hater-ade  
hater-ade  
ha ha ha hater-ade
