Everytime I hear your name I go insane
Everytime you look at me I wanna scream
You don't understand the impact you have on me,
and I wanna know if ya future includes me

yo girl,
I'm feeling yo vibe
yo girl,
I'm liking yo style
yo girl,
ya looking pretty fly
yo girl,
do you have the time?

I just wanna get to know ya
just wanna get to show ya
that I'm really into you
You , you got me in a daze,
and I can hardly explain
what you do to me

Just wanna show you
wanna get to know you
cause I want you

Everyday you're not with me I feel a void
Everyday that you're away I feel ashamed
I have to stop what I'm doing, can't think clearly
and i wanna know if ya future includes me

yo girl,
I'm feeling yo vibe
yo girl,
I'm liking yo style
yo girl,
ya looking pretty fly
yo girl,
do you have the time?

I just wanna get to know ya
just wanna get to show ya
that I'm really into you

You , you got me in a daze,
and I can hardly explain
what you do to me
