she was made perfectly for me
designed to the tee, customfitted for me
type of girl you see only in magazines
i swear you'll think that she was a machine

the way she knows what to do, fascinating
way her gear put together, amazing
always got her hair did, unbelievable
try to dance like her, gon be aching

the way she knows what to do, fascinating
way her gear put together, amazing
always got her hair did, unbelievable
try to dance like her, gon be aching

she's definitely a show stopper,
get ya mind boggled doin twister,
turn ya dry mouth into a whistler,
yo trust me here, this aint a rumor

she's definitely a show stopper,
get ya mind boggled doin twister,
turn ya dry mouth into a whistler,
yo trust me here, this aint a rumor

see you believe me now, cause you see her
you see that she's the flyest chick in the club.
na homie chill, you gon have to fallback,
before this get-together turn into an attack.

the way she knows what to do, fascinating
way her gear put together, amazing
always got her hair did, unbelievable
try to dance like her, gon be aching

you walking in the spot
tell em that you hot
Show em what you got
you must a robot

roll in the parking lot
tie em in a knot
give em what you got
you must a robot

you walking in the spot
tell em that you hot

the way she knows what to do, fascinating
way her gear put together, amazing
always got her hair did, unbelievable
try to dance like her, gon be aching
