You don't know my name.
You don't know anything about me.
I try to play nice,
I wanna be in your game.
The things that you say,
You may think I never hear about them.
But word travels fast,
And I'm telling it to your face,
I'm standing here behind your back.

(Chorus)
You don't know how it feels,
To be outside the crowd.
You don't know what its like,
To be left out.
And you don't know how it feels,
To be your own best friend.
On the outside looking in.

If you could read my mind,
You may see,
More to me than reaches the eye.
And you've been all wrong,
About who you think I am.
You've never given me a chance.

(Chorus)
You don't know how it feels,
To be outside the crowd.
You don't know what its like,
To be left out.
And you don't know how it feels,
To be your own best friend.
On the outside in.

I'm tired of staying at home.
I'm bored and all alone.
I'm sick of wasting all my time.

(Chorus)
