Six feet over is better than under
And I think so
In a dog eat dog world
It's better to be a cat
But not of the pussy variety
Oh uh uh oh
Margarita she speaks with salt on her lips
She's such a liar
And Margarita...she's down on her knees
Whatcha doin' down there Margarita?
We say whatcha doin' down there Margarita?
Oh uh uh oh
Mr. Bill got such a thrill
By making us all his mental idiots
Until one day he went away
And all they could find was a match for his dental
records
Oh uh uh oh
