Iâ€™ve found a reason  
A reason to show  
A way to let go  
A reason to love  
And why not to give up

### Verse 1

There has been a lot Iâ€™ve been through  
Had some dreams that would not come true  
Been some paths I shouldâ€™ve taken  
Thereâ€™s some questions Iâ€™ve mistaken  
If I could change what happened to me  
Would I be the human you see?  
Haunted by the past but I pulled through  
Stronger, yes, but wiser too

### Pre-Chorus

I can see  
A new me  
The time is here  
My mind is clear

### Chorus

Finally I know what to do  
My eyes can see the truth  
The Comeback is in view  
I know what to do  
Finally I know what to do  
My eyes can see the truth  
The Comeback is in view  
I know what to do

### Verse 2

A new emblazoned light inside me  
Shows me things that I hadnâ€™t seen  
Thereâ€™s a lot that I missed before  
But now I see what I ignored  
Now Iâ€™m bathed in a growing light  
Now itâ€™s my turn to shine tonight  
I look back and Iâ€™m Hine sighted  
Life was slow but now is exciting!

[Repeat Pre-Chorus]

[Repeat Chorus]

Bridge

Iâ€™ve finally found a reason  
Something that I can believe in  
The sky is no longer gray  
All the doubts have gone away  
Heart is pumping, my world is spinning  
Time to jump in and start living  
What was wrong is in the past  
Now itâ€™s gone and Iâ€™ve Comeback  
(x2)

[Repeat Chorus]

[Repeat Bridge]
