Live my life as a thug nigga, untill the day i die
Live my life as a Boss playa, cuz we be getting high

Tupac:

I bet you got it twisted
You don't know who to trust
So many playa hating niggas trying to sound like us
Say they ready for the funk, but i don't think they know
it
Straight to the depths of hell is were those cowards
goin'
Well are you still down nigga, holla when you see me
And let these devils be sorry, but they finally freed me

I got a cariban of niggas, every time we ride (every
time we ride)
Hitting mutha-fuckas up when we pass by (when we
pass by)
Until i die live the life of a boss playa, cuz even when
i'm high
Fuck with me and get crossed later, the futures in my
eyez
Cuz all i want is cash and thangs,
A five double 0 benz and flaunting flashy rings uhh
Bitches pursue me like a dream,
Been know to disappear before your eyez, just like a
dope fiend, it seems
My main thang was to be major paid
The game sharper than a mutha-fuckin razor blade
Say money bring bitches, bitches bring lies
One niggas getting jealous, and muthafuckas died
Depend on me like the first and fifteenth
They my homies for a second, but these punks won't
get me
We got four niggas, and low riders, and ski masks
Screaming thug life every time they pass

Tupac:

The feds is watchin', niggas plottin' to get me
Will i survive, will i die, come on lets picture the
possibilities
Giving me charges, lawyers making a grip
I told the judge i was raised wrong and thats why i
blaze shit
Was hyper as a kid, alone, as a teenager, on the
mobile
Calling big shots on the scene major
Packing hundreds in my drawers, Fuck the law
Bitches i fuck with a passion, livin' rough and raw
Catchin' cases at a fast rate, ballin' in the fast lane
Hustle 'til the morning, never stopped until the cash
came
I live my life as a thug nigga
Untill the day i die
Live my life as a Boss playa
Cuz we be getting high
These niggas got me tossin' shit
I put the top down now its time to floss my shit
Keep your head up nigga, make these muthafuckas
suffer
Up in the Benz burning rubber
The money is mandatory, the hoes is fully strapped
Cuz the criminal lifestyle equipped with the bulletproof
vest
Make sure your eyes is on the Meal ticket
Get your money muthafucka Lets get rich and we'll kick
it
