So fine baby, smelled so nice when you walked on by,
yeah

Pardon me my darling but do you have a second
Just so I can tell you how you caught my full attention
Now how is it that you look so well put together?
Flawless as can be, it just doesn't get no better

Hey babygirl why don't you come home with me
And let me show you what some good loving means
'Cause I got so much love inside
And I wanna give it all to you babygirl, to you babygirl

Oh yeah, your body's picture perfect and there ain't a
brick that's missing
You look like your mama raised you on them grits and
chicken
Now I know that you heard this like probably all the time
But if you come with me, I'm gon' make it worth your
while

Hey babygirl why don't you come home with me
And let me show you what some good loving means
'Cause I got so much love inside
And I wanna give it all to you babygirl, to you babygirl

Babygirl, babygirl, babygirl, babygirl
(Don't you walk away from me, no baby)
Babygirl, babygirl, babygirl, babygirl
(Hey girl)

Hey babygirl why don't you come home with me
And let me show you what some good loving means
'Cause I got so much love inside
And I wanna give it all to you babygirl, to you babygirl

Hey babygirl why don't you come home with me
And let me show you what some good loving means
'Cause I got so much love inside
And I wanna give it all to you babygirl, to you babygirl

Babygirl, oh no no babygirl
