I Go Through Your Pictures In My Phone
Cause Sometimes They Get Me Through The Day
And Whenever I Start To Feel Alone
I Just Play Your Voice Mails
That I Saved Before Things Changed
Now I Read The Message You Sent Tryna
Now When You Say I Know You Love Me But
You Should Just Forget About Us
But I Done Swam To Deep To Come Up Now
You Try To Tell Me I'll Make Someone Happy Some Day
But I don't Understand How You Can Just Go Away
This Heart I Gave To You
Right In Front Of My Face

But I don't Wanna Be Friends
Cause I Done Already Started Lovin You

I Wanna Take A Drive To Where You Live, But I Wont
But Still Feel Like Aint Nobody Suppose To Be There But
Me Wit You
It Should Be Me There Wakin Up Next To You
It Should Be Me Takin Em Showers With You
And I Should Be The One You Want Why You
Wanna Go And Mess Up Everything Baby
Now The Only Thing To Make It Better Is If You Say You
Wanna Be Mine
Now don't You Get It Baby A Good Man Like Me Is Hard
To Find
Look I don't Wanna Hear No Maybes In The Future
See There You Go Puttin Me Last When I Put You First
You Got Me Listenin To Songs But They don't Work
Cause They Only Remind Me Of How Much Love Hurts

So No I don't Wanna Be Friends
Cause Done Already Started Lovin You

Look Here
See I Got A Problem With This Whole Friend Thing
And Uh Heres My Reasons Why
Number One You Kiss Me Like You Love Me
Number Two The Touch me Like You Love Me

And Number Three You Make Love To Me Like You Love
Me

So that's Why I don't Wanna Be Friends
Cause I Done Already Started Lovin You

I don't Wanna Be Friends
Cause I Already Started Lovin You
