Lately you've been questioning  
If I still see you the same way  
Cause through these trying years  
We gonna both physically change  
Now don't you know you you'll always be  
The most beautiful woman I know  
So let me reassure you darlin that  
My feelings are truly unconditional

Chorus:

See I'll love you when your hair turns gray and  
I'll still want you if you gain a little weight and  
The way I feel for you will always be the same  
Just as long as your love don't change, No

I was meant for you and you were meant for me yeah  
And I'll make sure that I'll be everything you need yeah  
girl the way we are is how its gonna be  
Just as long as your love don't change

Cause I'm not impressed, more or less  
By them girls in the TV and magazines  
Cause honestly I believe that your beauty  
Is way more than skin deep  
Cause everything about you makes me feel  
I have the greatest gift in the world  
And even when you get on my last nerve  
I couldn't see myself being with another guy

Chorus

So don't waste your time worrying bout  
Small things ain't releavant to me  
Cause to my understanding you're all I want and need  
See what I'm trying to say is I'm here to stay  
And as long as your love don't change  
Baby, baby darling I swear that I,  
I swear I ain't going nowhere no.

Chorus

You are my baby  
Don't you change baby  
I love you, got to know,  
Yeah, yeah
