"Dearjohn"

This just might be the hardest thing I ever have to do
I never thought I'd see the day I'd be living without you
Now I cant even look you in the eyes
Cause I know what it does when I see you cry
And thats not what I wanna do

So hear is my Dear John
Dont waste your time
When you respond ill be gone
Before I change my mind
Ill just stop now and say goodbye

I realize all the promises I've made
To you through the years
And all the times you forgave me
Even when I caused you tears
But I just cant do it cant hurt you again
You might say that im less than a man
But this is what i need to do

[Chorus]

So here is my dear John
Dont waste your time
When you respond
Ill be long gone
B4 i change my mind
Ill just stop now and say goodbye

[Bridge]

I know your probably reading this
Saying this aint happening
Maybe one day we can start all over
We can try again
But right now i just gotta go
Not coming back until im sure
That i aint gonna hurt you no more

Ohh Ohh Ohh

[Chorus]

So here's my dear John
Dont waste your time
When you respond
Ill be long gone
B4 i change my mind
Ill just stop now and say goodbye

Ill just stop now and say goodbye girl
Ill just stop now and say good bye
Yeah Yeah Yeah
Ill just stop now and say goodbye
Yeah Yeah Yeah
