La la la la

Never thought that we would ever be more than friends
Now I'm all confused 'cause for you I have deeper
feelings
We both thought it was cool to cross the line
And I was convinced it would be alright
Now things are strange, nothing's the same
And really, I just want my friend back

And my mind's gone half crazy 'cause I can't leave you
alone
(Oh, can't get you out of my system)
And I'm wondering if it's worth me holding on
(Holding on)
Said my mind's gone half crazy 'cause I can't leave you
alone
(Can't get you out of my system)
And I'm wondering if it's worth me holding on

I'd hate to walk away from you as if this never existed
'Cause when we kissed, the moment after I looked at
you different
Lately, I gotta watch what I say
'Cause you take things personal nowadays
You used to laugh, now you get mad
Damn, I just want my friend back

And my mind's gone half crazy 'cause I can't leave you
alone
(Oh, can't get you out of my system)
And I'm wondering if it's worth me holding on
(Holding on)
Said my mind's gone half crazy 'cause I can't leave you
alone
(Can't get you out of my system)
And I'm wondering if it's worth me holding on

Oh, oh, oh, oh, yeah
What happened to the one I used to know? Oh yeah,

yeah
The one I used to laugh and joke with
The one I used to tell all my secrets
We used to chill and be down for whatever, whenever
together, yeah

And my mind's gone half crazy 'cause I can't leave you
alone
(I'm going half crazy, baby)
And I'm wondering if it's worth me holding on
(Yeah, hold you)
Said my mind's gone half crazy 'cause I can't leave you
alone
(And I just don't know)
And I'm wondering if it's worth me holding on
(I said I just don't know what to do now, listen)

And my mind's gone half crazy 'cause I can't leave you
alone
(We used to chill, yeah, we used to play)
And I'm wondering if it's worth me holding on
(We used, we used to do so many things together,
yeah)
And my mind's gone half crazy 'cause I can't leave you
alone
And I'm wondering if it's worth me holding on
