"IfULeave"

(feat. Mary J. Blige)

[Verse 1: (Musiq Soulchild)]

You think
I'm so full of it, full of it
But I think I'm just fed up baby
You think I can be so arrogant, arrogant
But I'm just tryna get keep my head up baby
You think I procrastinate baby
But I think I'm taking my time
You think you need to leave
But I think I disagree but

[Chorus: (Musiq Soulchild)]

If you believe you'll do best without me
I'll let it go girl, Its over
But before we say good bye
Lets give it a try
If you leave, then baby I'll leave
I'll let it go girl, Its over
But I have no doubt
We can work it out

[Verse 2: (Mary J Blige)]

Yeah
I think your so full of it, full of it
You just don't know when to let up, Baby
I think you're so arrogant, arrogant
But you think you're so much better baby
That I think It ain't dealt before me to judge you by your
flaws & that's why
No I could criticize, but I put that aside
To focus on you & I

[Chorus: (Mary J Blige)]

If you believe you'll do best without me
Then I'll let it go boy, Its over
But before we say goodbye
Lets give it a try
If you leave, then baby I'll leave
I'll let it go boy, its over

But I have no doubt
We can work it out
Yeah

[Bridge: (Both)]

Now if you wanna go
Baby then I'll let you go
& even though I'm tryna hold on
I cant let you go

& if you're gonna leave me, you're gonna miss me
& I'm not saying that Ill be here waiting

Since we here right now (instead of just walking out)
Let's work to reach the point that I know we can be ?

[Chorus: (Both)]

But if you believe, you'll do best without me
But I'll let it go girl
[Musiq:] I'll just go, then just go girl
[Mary J:] But I'll let it go
It's over (it's over)
But before we say goodbye
Let's give it a try
If you leave, then baby I'll leave
I'll let it go girl, it's over
But I have no doubt
That we can work it out

If you believe, you'll do best without me
I'll let it go girl, it's over
Before we say goodbye
Let's give it a try
If you leave, then baby I'll leave
