Verse 1:

love

So many things I've got to tell you

But I'm afraid I don't know how

Cause there's a possibility that

You'll look at me differently

love

Ever since the first moment I spoke your name

From then on I knew that by you being in my life

Things were destined to change cause.....

Chorus:

love

So many people use your name in vain

love

Those who have faith in you sometimes go astray

Love

Through all the ups and downs the joys and hurts

Love

For better or worse I still will choose you first

Verse 2:

Many days I've longed for you

Wanting you

Hoping for the chance to get to know you

Longing for your love

For your kiss your touch, for your essence (your beautiful essence)

Many nights I've cried from the things you do

Felt like I could die from the thought of losing you

I know that you're real

With no doubts of no fears

Or no questions,

Chorus:

Love

So many people use your name in vain

Love

those who have faith in you sometimes go astray

Love

Through all the ups and downs the joys and hurts

Love  
For better or worse I still will choose you first

Bridge:

Love  
At first you didn't mean that much to me  
But now I know that you're all I need  
The world looks so brand new to me  
Now that I found love  
Everyday I live for you  
And everything that I do I do it for you  
What I say is how I feel so believe it's true  
You got to know I'm true, love

Chorus until song fades out
