Verse 1:

Love

So many things I've got to tell you

But I'm afraid I don't know how

Cause there's a possibility

That you'll look at me differently

Love

Ever since the first moment I spoke your name

From then on I knew that by you being in my life

Things were destined to change cause

Chorus 1:

Love

So many people use your name in vain

Love

Those who have faith in you sometimes go astray

Love

Through all the ups and downs the joys and hurts

Love

For better or worse I still will choose you first

Verse 2:

Many days I've longed for you

Wanting you

Hoping for the chance to get to know you

Longing for your kiss

For your touch, your feel, your Presence

Many nights I've cried from the things you do

Felt like I could die from the thought of losing you

I know that you're real

With no doubts and no fears

And no questions

Chorus 2:

Love

So many people use your name in vain

Love

But, those who have faith in you sometimes go astray

Love

Through all the ups and downs the joys and hurts

Love

For better or worse I still will choose you first

Bridge:

At first you didn't mean that much to me, no
But now I know that you're all I need, oh
The world looks so brand new to me
Now that I found love
Everyday I live for you, yeah
And everything that I do
I do it for you
What I say is how I feel so I believe it's true
You got to know I'm true

Chorus(x2):

Love
So many people use your name in vain
Love
But, those who have faith in you sometimes go astray
Love
Through all the ups and downs the joys and hurts
Love
For better or worse I still will choose you first
