[Verse 1:]

This hole in the wall where the music they play
Is the kind you listen to to wash your troubles away
She sits all alone with her drink on its way
Posted with her eyes closed as left to right her head
sways

[Pre-Chorus:]

Ooh so beautiful and all I could think was
Is her vibe wasn't like no ones I'd ever seen
So hey would you mind if I take a seat?
So I sat and as we started to chat that's when she told
me

[Chorus:]

She's from Philadelphia she grew up in the westside
Yeah a one room apartment in L.A. where she now
resides
Oh Miss Philadelphia though we just met tonight
Can I be a part of your life

[Verse 2:]

Her favorite color's red she has two dogs and a
goldfish
She says after lawschool she wants a career before
kids
We spoke forever on topics like religion and politics
Up until the music stopped which meant our time was
at its end

[Pre-Chorus:]

So ooh as the lights came up ever so slow
We had romanced and I wasn't about to let it go
So as I pulled out her chair so that we could leave
I asked her was it too soon to ask her can you spend
the night with me?

[Chorus:]

[Bridge:]

Miss P.H.I.L.L.Y. can we try to do this

I hope that I'm not asking too much but can I get a little
hometown love?
Miss P.H.I.L.L.Y. lets just try to do this
I hope that I'm not asking too much but can I get a little
hometown love?

[Chorus:] x2
