I'm your canvas to your paintbrush  
Paint me a picture of you  
So when you're broken  
I can reference that my affection be true

So let me put it all together  
It's been good let's make it better  
And now forever if it's alright with you  
And say I do, I do, I do  
This is my vow to you  
Say I do

So if we were famous  
Or just nameless  
Girl it won't matter to me  
And if it's the ghetto or the good life  
Hollywood or the hood  
Girl it's whatever you see

So let me put it all together  
It's been good let's make it better  
And now forever if it's alright with you  
And say I do, I do, I do  
This is my vow to you  
Say I do

See now with one foot down on the pavement  
I pray to God that you will agree  
To what I'm saying  
I got my arms outstretched to the sky  
With a shiny new ring in my hand and a beating in my  
chest  
That's getting heavier with every second passing  
Cause I'm asking for the perfect gift

So let me put it all together  
It's been good let's make it better  
And now forever if it's alright with you  
And say I do, I do, I do  
This is my vow to you  
Say I do

So let me put it all together  
It's been good let's make it better  
And now forever if it's alright with you  
I do, I do, I do  
This is my vow to you  
Say I do
