When I think of you
I can't see you like
all the other girls
I knew that I didn't treat right
but then
there are times when I just need what I need babe, and
I know
you can give it all to me

So how about...

[Chorus:]

We don't have to go
All the way no
But if you want
I still can take you there
There
There
Hey baby, how about it
we don't have to go all the way no
but girl I'm sure you still can get me there
Hey
Babe

If only you knew

what I'm willing to do (for)
for a fair exchange baby
from me to you
but (I know)
I know you've got your own reasons
for making me wait
and I know
I know there's a way
that we can free ourselves

[Chorus]

It's alright you can
admit that you want it (its alright)
as bad as I
its so natural

We all have our days and our sleepless nights
When we wanna
get some
When we wanna get some
[Repeat]
