[verse 1]

I was told the true definition of a man, was to neva cry,  
work till you die (yea), got to provide (yea),  
always be the rock for my fam,  
protect them by all means and give you the things that  
you need. baby.

Our relationship is sufferin trynna give you what I neva  
had

you say I don't know how to love you babe, well I say  
show me the way,

I keep my feelings deep inside I, shadow them with my  
pride I,

I'm tryin desperately baby just work with me.

(chorus)

Teach me how to love, show me the way to surrender  
my heart,

girl I'm so lost, teach me how to love, how I can get my  
emotions involved,

teach me. show me how to love

show me the way to surrender my heart,

girl I'm so lost, teach me how to love, how I can get my  
emotions involved,

teach me (how to love)

[verse 2]

I was always taught to be strong, neva let 'em think you  
care at all,

let no one get close to me, before you and me.

I done shared things wit you girl bout my past,

(that I'd neva tell), to anyone else (no), just keep it to  
myself (yea).

Girl I know I lack affection and expressing my feelings,  
it took me a minute to come and admit this

but see I'm really trynna change now,

wanna love you betta, show me how, I'm tryin

desperately baby please work with me.

(chorus)

Teach me how to love, show me the way to surrender  
my heart,

girl I'm so lost, teach me how to love, how I can get my  
emotions involved,  
teach me. show me how to love  
show me the way to surrender my heart,  
girl I'm so lost, teach me how to love, how I can get my  
emotions involved,  
teach me, teach me (how to love)

[verse 3]

Ain't nobody eva took the time to try to teach me what  
love was but you.  
And I ain't neva trust no one enough to let 'em tell me  
what (to do),  
teach me how to really show it and, show me how to  
love you baby,  
(teach me please just show me yea) cause I'm willing,  
to let go of my fears,  
girl I'm serious, about all that I say  
girl I wanna love you (wanna love you), with all of my  
heart (all of my heart),  
baby show me where to start

(chorus)

Teach me how to love, show me the way to surrender  
my heart,  
girl I'm so lost, teach me how to love, how I can get my  
emotions involved,  
teach me. show me how to love  
show me the way to surrender my heart,  
girl I'm so lost, teach me how to love, how I can get my  
emotions involved,  
teach me how, how to love

Teach me, how to love you baby  
Girl just teach me how to love you betta  
You know I wanna love you betta, girl
