Come Monday

Headin' up to San Francisco  
For the Labor Day week-end show  
I've got my hush-puppies on  
I guess I never was meant for glitter rock and  
roll  
And Honey I didn't know  
That I'd be missin' you so

Chorus:

Come Monday, it'll be all right  
Come Monday, I'll be holdin' you tight  
I spent four lonely days in a brown L. A. haze  
And I just want you back by my side

Yes, it's been quite a summer  
Rent-a-cars and west-bound trains  
And now you're off on vacation  
Something you tried to explain  
And Darlin' it's I love you so  
That's the reason I just let you go

Come Monday, it'll be all right  
Come Monday, I'll be holdin' you tight  
I spent four lonely days in a brown L. A. haze  
And I just want you back by my side

I can't help it honey  
You're that much a part of me now  
Remember that night in Montana  
When we said there'd be no room for doubt

I hope you're enjoyin' the scen'ry  
I know that it's pretty up there  
We can go hikin' on Tuesday  
With you I'd walk anywhere  
California has worn me quite thin  
I just can't wait to see you again

Come Monday, it'll be all right

Come Monday, I'll be holdin' you tight  
I spent four lonely days in a brown L. A. haze  
And I just want you back by my side

I spent four lonely days in a brown L. A. haze  
And I just want you back by my side
