She came down from Cincinnati.
It took her three days on a train.
Lookin' for some peace and quiet;
hoped to see the sun again.
But now she lives down by the ocean.
She's takin' care to look for sharks.
They hang out in the local bars,
And they feed right after dark.

[Chorus]

Sailed off to Antigua.
It took her three days on a boat.
Lookin' for some peace and quiet;
Maybe keep her dreams afloat.
But now she feels like a remora,
'cause the school's still close at hand.
Just behind the reef are the big white teeth
of the sharks that can swim on the land.

[Chorus]
