Aye, Oh
Ayeeee, Ohhhhh

Wake up in the morning, youâ€™re still here
I brought you home for one thing, you weren't
supposed to love me
Thereâ€™s something in the air we need to clear
Expected to be gone now, I need some time alone now

I thought we'd just have sex, you leave and smoke my
cigarette
And play things cool cause I think youâ€™re cool
Seems you got your own intentions, maybe I forgot to
mention
Thereâ€™s no use cause being in love takes two

I want you to kiss me
I want you to touch me
I didn't want you to love me
Cause it's more fun to hit you with my kiss and run
Oh darling
I want you to touch me
I didn't want you to love me
Cause it's more fun to hit you with my kiss and run

As your hands unstrap my bra
Just dim the lights, donâ€™t turn them off
Donâ€™t need no clothes, just take them off, ooh
baby, ooh
I wonâ€™t let you in, get through my arm
Canâ€™t let you get inside my heart

I thought we'd just have sex, you leave and smoke my
cigarette
And play things cool cause I think youâ€™re cool
Seems you got your own intentions, maybe I forgot to
mention
Thereâ€™s no use cause being in love takes two

I want you to kiss me
I want you to touch me
I didn't want you to love me

Cause it's more fun to hit you with my kiss and run
Oh darling
I want you to touch me
I didn't want you to love me
Cause it's more fun to hit you with my kiss and run

Kiss and run
Kiss and run
Kiss and run

Kiss and run
Kiss and run
Kiss and run

I thought we'd just have sex, you leave and smoke my
cigarette
And play things cool cause I think you're cool
Seems you got your own intentions, maybe I forgot to
mention
There's no use cause being in love takes two

I want you to kiss me
I want you to touch me
Didn't want you to love me
Cause it's more fun to hit you with my kiss and run
Oh darling
