

## Must "Knife"

Visit "[Knife](#)" on MotoLyrics.com

You touched my life  
With your softness in the night  
My wish was your command  
Until you ran out of love

I tell myself I'm free  
Got the chance of livin' just for me  
No need to hurry home  
Now that you're  
Hook  
Cuts like a knife  
How will I ever heal?  
I'm so deeply wounded  
Knife  
Cuts like a knife  
You cut away the heart of my life  
When I pretend  
Wear a smile to fool my dearest friends  
I wonder if they know  
It's just a show

I'm on a stage  
Day and night I go through my charades  
But how can I disguise  
What's in my eyes?  
I've tried and tried  
Blocking out the pain I feel inside  
The pain of wanting you  
Wanting you
