No way out, no way out
You still hold me
You still hold me
You still hold me
You still hold me

No way out
No way out

And I've not yet answers
Just sweet oblivion
You still hold me
You still hold me

And I'll always be
And I'll always be
And I'll always be
And I'll always be
At your mercy

No way out
No way out

And don't I know it
Alive and lucid
You still hold me
Tight and totally

Father, fuck you
Mother, I blame you too
Upon me strength bestow yourself
For God is waiting

And I'll always be
And I'll always be
And I'll always be
And I'll always be
At your mercy
'Till I beat you

No way out
No way out

I'm at your mercy
'Till I beat you
