Now these are the tears of a prideful man
So stubborn I let you slip right through my hands
Now I'm saying goodbye to my best friend
I thought you knew that I loved you, I guess I was wrong
again

There were so many things I just couldn't say
They all raced through my mind as you walked away
I never thought to show you just how much you mean
I thought you knew that I loved you, I guess I was wrong
again

Wrong again, wrong again
I was so sure that you were the right one when life let
you in
Wrong again, wrong again
I thought you knew that I loved you, I guess I was wrong
again

So the next time you feel the rain coming down
Tears I could not cry falling all around
My poor prideful heart will never mend
I thought you knew that I loved you, I guess I was wrong
again

Wrong again, wrong again
I was so sure that you were the right one when life let
you in
Wrong again, wrong again
I thought you knew that I loved you, I guess I was wrong
again

Wrong again, oh wrong again
I was so sure that you were the right one when life let
you in
Wrong again, wrong again
I thought you knew that I loved you, I guess I was wrong
The feelings were there but you said so long
I thought you knew that I loved you, I guess I was wrong
again
I thought you knew that I loved you, I guess I was wrong
again
