You're sitting in a room full of silence
Wishing that I would make a move now
Picturing me holding you, kissing you
And touching you right before laying down
You knew from the start what was going on
So you're prepared to go hard
For this action I hope you're ready, I promise to do my
hard

It's time to get it,
And girl, we can't go too far
It's hard and sweaty
Don't mean to let it go until you couldn't take no
more

So we went so hard, we went so hard,
Went so hard, we went so hard,
Went so hard, we went so hard
When it's all said and done
You can't take no more
'Cause we went so hard, we went so hard

When it comes to love, girl, I'm over stocked
There's a lot of it to go round
Not sure when we'll be done 'cause I'm having fun
Girl, your body is like a playground
Kissing every inch, from your top to bottom,
'Cause I know where your spots are
So just sit back and enjoy the action
'Cause girl, I'm doing my hard
I can't believe it, you said you're ready for round two
Tell me you need it, this is an afternoon, so I know just
what to do

Girl I went so hard, I went so hard,
Went so hard, I went so hard,
Went so hard, I went so hard
When it's all said and done
You can't take no more
'Cause we went so hard, we went so hard

Gonna tell the truth,

I want you right now
Know we just finished, but Iâ€™m feeling impatient
Just a minute, girl, Iâ€™m gonna get you down on the
floor
Singing, just give me more
Didnâ€™t wanna wait, so I took you right away
And baby girl, we touched â€™till the morning
I know just how you want it, so I didnâ€™t waste the
moment

Girl I went so hard, I went so hard,
Went so hard, I went so hard,
Went so hard, I went so hard
