Whatcha gon do  
Kasper (from the K)  
[YouÂ're an obsession]

Back stage one night at a show  
2 girls in the cage, 2 sliding on the pole  
you know me, IÂ'm goinÂ' with the flow  
on a scale from one to ten, I let the fifth one go

back again with a throwback track  
walls burr(bare), up hurr(there), IÂ'm just trying to hang  
a plaque  
my whole crew been to hell and back  
grey goose got me loose, nothinÂ' wrong with that

[I gotta have you]

Matterfact, bring them backs to the back  
Need a groupie with a booty, and she got it like that  
Nibble on my neck girl, I gotta bite back  
The ghost ainÂ't picky, give me white or black

Let me tell ya what I want ya to do  
Well the djÂ's banginÂ' on them oneÂ's and twoÂ's  
Keep your home girls walkinÂ' on through  
And letÂ's party like rockstars, totally dude!

(what, whatcha gon do?)

tell me whatcha wanna do, imma tell you what I  
wantcha to do  
[what do you want me to do, to make you sleep with  
me?]  
[YouÂ're an obsession]  
tell me whatcha wanna do, imma tell you what I  
wantcha to do  
[what do you want me to do, to make you sleep with  
me?]

(hey, hey, hey, yeah)

The party donÂ't start till we walk in

Got five, ten, fifteen friends  
Might bring 20 but it all depends  
Club got rules, but rules get bent

Might drink patron, might drink gin  
Might get a lil bitty sip of that Hen(essesy)  
Might to this (this), might to that (that)  
Might get gone with it and slip through the back

Ooohhoo, she all rubbin on me, huggin on me  
X-girlfriend lookin' at me, I'm in trouble homie  
I swear, I promise. You know it wasn't me  
Girl I'm broke as a joke, and I tried to leave

Damn it ain't no fun, when the rabbit got the gun  
When you're rollin' out the club n see the risin' sun  
Open up your eyes, realize what you done  
Do I regret it? hell no, cuz damn it was fun!  
She's impressive  
tell me whatcha wanna do, imma tell you what I  
wantcha to do  
[what do you want me to do, to make you sleep with  
me?]  
[You're an obsession]  
tell me whatcha wanna do, imma tell you what I  
wantcha to do  
[what do you want me to do, to make you sleep with  
me?]

haha, yeah (yeah, yeah)

last call

last call, for alcohol  
girls still on me, and we havin' a ball  
somethin' about the way that she's sippin on the  
straw  
she's crazy, sexy, damn she's raw

she told me that she had an obsession  
whispered in my ear with all these confessions  
body all wet, got me thinkin' about sexin'  
will you have me girl, that is the question?

[I will have you]  
[yes I will have you][I will have you]  
[I will find a way, and I will have you]  
[you're a rockstar, I wanna love you][wanna love you]  
[I will find a way to capture you]

(what, whatcha gon do?)

tell me whatcha wanna do, imma tell you what I  
wantcha to do  
[what do you want me to do, to make you sleep with  
me?]  
[YouÂ're an obsession]  
tell me whatcha wanna do, imma tell you what I  
wantcha to do  
[what do you want me to do, to make you sleep with  
me?]

haha yeah  
[youÂ're an obsession]  
[youÂ're an obsession]
