Iâ€™m a sadistic killer
Dominated by sanguinary perversities
Drowned in incestuous phantasies
Guided by rage and obscure anger
Show no mercy to my helpless victims
Raping, mutilating, torturing
My climax, their endless suffering
Living in a world of pure cynism

Mother, daughter, son, youâ€™re the next feast
Absolute control over a little family
In the claws of a human beast
Buccal castration, perverse glory

CHORUS

Iâ€™m a sadistic killer
Iâ€™ve no remorse
Iâ€™m a perverse sinner
Living by brute force

Crucify the boy with skrewdrivers
Hands and feet nailed to the wall
Tender and sweet lifeâ€™s downfall
Young flesh wounded with carving-knives

Mother nailed on the bloody ground

Ten-inch nails through hands and knees
Boyâ€™s gluey innards in the mouth
Oh my God, kill me, please!
Teenage-girl tied with barbed-wires
Penetrate the virginal cunt, little cries
Tear off the clitoris with pincers
Cutted nipples in my fingers

CHORUS

After this delicious prelude
Momâ€™s glorious hour has come
In my gory hell, youâ€™re welcome
Frantic orgasm beyond dispute
Ejaculate my sperm in her face

Eat the shit for Lucifer's grace
A last fuck in her opened chest
With sadistic hunger I'm blessed!

Glorifying destructive sexualiy (2x)
Mother, daughter, son, you're the next feast
Absolute control over a little family
