Confusion in my head
Devoured by insane brainwave
Flashes of squashed dead
Unbearable visions rave

Reign of inner pain (4x)

Ego broken by humiliation
I seek for peace of mind
Only haunted by hallucination
Wishing I was blind
In my eyes, shining blood
In my heart, corroding blackness
In my brain, destroying thoughts
Merciless reign of inner pain

World of escalating decadence
Yearning for cruel vengeance
I avoid the burning daylight
Hunting my prey through the night

Can't discern dreams from reality
Life ruled by perverted phantasy
Can't endure this wretchedness
Plunging into craziness
Eaten by terrible pain

Sinking in endless desolation
Around me, inconceivable disdain
Incurable spiritual devastation
Inside my grieved skull
Millions of razorblades cutting
Suffer from devilish bloodpoisoning
Infected by a cryptic cult

Kill me before I hurt you
Dying by mental torture
Hurt me when I'll kill you
Agony, my secret pleasure
In my eyes, shining blood
In my heart, corroding blackness
In my brain, destroying thoughts

Merciless reign of inner pain

Reign of inner pain (2x)

Surrounded with relentless intolerance

Can't find any relief

Captured in a sphere of violence

Have lost all my belief
