8th and 10 - written by Kenny Mehler

Slip, Stitch and two puffs you pass it
I bet you think I appeal to the masses
You can take it or leave it, It's time for you to go
It's time for you to go...

Ready set let's go now it's time for the show,
Whether you want know, we have the place to go in
time,
You will see me, Actually not on T.V but for free and
I'm getting down
Uh Oh...guess who's back in town, you can shake
rattle roll with the sound from the underground, wood
grained grip-in, on my cuama I be sip-in...we can play
a game called just the tip-in.

Slip, Stitch and two puffs you pass it
I bet you think I appeal to the masses
You can take it or leave it, It's time for you to go
Slip, Stitch and two puffs you pass it
I bet you think I appeal to the masses
You can take it or leave it, It's time for you to go
It's time for you to go...

Now I can tell by the rhythm that you got
Back it up a hot second now we'll take it from the top
Playa Maya, baby's momma...I got green in my cup.
Hold up...Rebe grab the keys the truck
It's only ten pesos...Now I'm about to tear that shit
up
8th and 10 that's the spot, Mito own's the whole
block
Megs and Wilma, Silly Jilly...Can't forget that girl
from Philly.
I'm out...Catch me walking around, when I'm back
in town

Slip, Stitch and two puffs you pass it
I bet you think I appeal to the masses
You can take it or leave it, It's time for you to go
Slip, Stitch and two puffs you pass it

I bet you think I appeal to the masses
You can take it or leave it, It's time for you to go
It's time for you to go...
Take it or leave it or get the hell on...
