Carry Me – written by Kenny Mehler

So it seems now...  
We need to talk, it's been a long while  
Yesterday's gone now  
You can stop by, I'll give you a smile and you'll  
see...  
What's happened to me  
So take it slow now...  
No need to rush, it's been a long time  
These days grow old...  
In my mind I see... Trouble is down below  
And it comes back to you.

To the edge of the water, I'm falling in  
It's a rather long story where do I begin  
If you follow me down...you will see them now more  
Can you carry me back all the way to the shore? So we  
can have it on.

Carry Me Away...because I need to know  
I will follow you down...anywhere you go  
Carry Me Away...because I need to know  
I will follow you down...anywhere you go  
Anywhere you go  
Anywhere you go

So it seems now...  
We need to talk, it's been a long while  
Yesterday's gone now  
You can stop by, I'll give you a smile and you'll  
see...  
What's happened to me

To the edge of the water, I'm falling in  
It's a rather long story where do I begin  
If you follow me down...you will see them now more  
Can you carry me back all the way to the shore? So we  
can have it on.

Carry Me Away...because I need to know  
I will follow you down...anywhere you go

Carry Me AwayÂ...because I need to know  
I will follow you downÂ...anywhere you go  
Anywhere you go  
Anywhere you go
