Crazy - Written by Kenny Mehler

So lately I've alone again
trying not to fall off the deep end
Have you ever stopped and wondered why?
why did you have to cry...
Why did you have to cry...
we can get it on tonight

She said
Why not
why don't...We get it on tonight

So now I think I'm Falling in love
cause any time is alright with me you know
And now I think I'm loosing my mind this time
We can get a little crazy tonight

Do you remember how I tip-toed down the hall
to your room, close the door, you said...it's awfully late
for a date, would you be so kind not to wake...my old
man's sleeping next door. so kindly I implore.
We can get it on tonight.

Why not
She Said
Why Don't... we get it on tonight

So now I think I'm Falling in love
cause any time is alright with me you know
And now I think I'm loosing my mind this time
We can get a little crazy tonight

So now I sit here all alone
worrying about the time
god damn you look so fine
tonight, tomorrow or on the way back..
inside I know we can, Get it on Tonight

Why not
She Said
Why Don't... we get it on tonight

So now I think I'm Falling in love
cause any time is alright with me you know
And now I think I'm loosing my mind this time
We can get a little crazy tonight
