Till We Meet Again - written by Kenny Mehler

It seems so wrong  
That day you walked out it wasn't your turn  
I feel the blame  
I hold onto, But it does not feel the same  
It has been to long  
I wish I could call you  
But there isn't a number for where you've gone now

Heaven is a place where we all go to  
When we're tired of sticking around  
And I better see you when I get there  
You know I'm not messing around  
You better have a spot saved at that table  
Cause I can't stand waiting around  
When the angels sing...  
They sing la la la la la la la la la ...Till we meet again  
Till we meet again...you know until we meet again.

That day you left town  
It's been so quiet, With out your voice to even make a  
sound  
It seems so wrong  
That day you walked out it wasn't your turn  
The seasons change  
Let me know, if I can do anything to get it re-arranged

Heaven is a place where we all go to  
When we're tired of sticking around  
And I better see you when I get there  
You know I'm not messing around  
You better have a spot saved at that table  
Cause I can't stand waiting around  
When the angels sing...  
They sing la la la la la la la la la ...  
Heaven is a place where we all go to  
When we're tired of sticking around  
And I better see you when I get there  
You know I'm not messing around  
You better have a spot saved at that table  
Cause I can't stand waiting around

When the angels singÂ...  
They sing la la la la la la la la la la Â...  
Till we meet again  
Till we meet again  
Till we meet again  
Till we meet againÂ...you know until we meet again.
