I think you know what I'm talking about
Every time I'm moving forward
It seems I'm really going nowhere

Now I've gone and said it again
Let's start from the beginning
I'm tired of never winning

I'm moving upside down
I can't find the top or bottom
Inside out
Everything becomes a problem
Upside down
I can't find the top or bottom
This time out
I don't want to talk about it now
I don't want to talk about it now
I don't want to talk about it now

My day got started off with a bang
My car blew up, my dog chewed up
My favorite pair of kicks today

I thought it couldn't get any worse
I can never get ahead
Yeah I think I'll stay in bed

I'm moving upside down
I can't find the top or bottom
Inside out
Everything becomes a problem
Upside down
I can't find the top or bottom
This time out
I don't want to talk about it now
I don't want to talk about it now
I don't want to talk about it now
