Camp Songs

-----  
written by: Dave Uzelac

performed by: Kourambiethes Baby

Whatchu gonna find

Driving in your car

Through the trees of gladness

Love is never far

Spending time together

Under heavens eyes

Though fully we can't express our love

Everybody tries

Bridge:

A week isn't long enough

But neither's a lifetime

At this enchanted place you'll find

Camp songs last a lifetime

Chorus:

(Camp Songs)

A lifetime of love

(Camp Songs)

A lifetime of sadness

(Camp Songs)

Brothers and Sisters

(Camp Songs)

Cures the loneliness

And when you go believe in what you believe in

And know we're not far

Love's here it will always be around you

It's just a drive in your car

BRIDGE

CHORUS

(Camp Songs)

A lifetime of love, a lifetime of sadness

(Camp Songs)

Brothers and Sister Cure my loneliness

(Camp Songs)

A lifetime of love

(Camp Songs)

But where's the sadness?
