"Not Falling"

Visit "[Not Falling](#)" on MotoLyrics.com

the burdens are so heavy enough to break your back
no surrender to the enemy no slipping off the tracks
He knows where i'm going not back to where i've been
it feels so good knowing that i'm in His hands

im not falling
God's got His hands on me
im not falling
till His day, i'll be under His protection

when i start feeling helpless and i start sliding back
i need Your Word to remind me
through You i have the strength to resist the attack

heaven and earth shall pass away
but God's Holy Word will never fade
be strong in the Lord and the strength of His might
put on the armour walk in the light
submit yourself therefore to God
resist the devil he will flee from you
and if you will draw near to God
He will draw near to you
he knows where you are going not back to your past
His grace overflowing it's up to you to ask
