"Pull The Flood"

Level of your own
this is what you're on
it could be what you need
level of the flood.

it is the end of part two
you had less than shit all the time
you stupid fuck.

pull yourself closer to the end
you know you're finished
just accelerate
the flood you fucker, it's all over
but i want you to take your time
you pray to the gods, you're not
worth rubbish, realize you're finished.

(Do you think you'll have it so good next time??
you shouldn't have even got a chance for part one)

recreate past glories
accelerate rate
its to late
pull the flood!!
