It's on me and penetrating
you know it's on me
and outstanding

it, is all forming from here
what do you want?
the master plan?
no way - oh no.

you coming? had all the way
leeching, hanging, (parasite)

hypocrite, see lies, full of shit

you coming? had all the way
locked mind, oppress
a third of the way

i ask you no question
now it's on you
see if you can

i thought you could not
see if you can
i know you would not.

watching your back
still penetrating
three times
and we're not laughing
