When I was just a little boy, I'd sit around all day.  
Thinking about  
the future to pass the time of day. With my friends  
sittin' laughin',  
they would mainly laugh at me, because I was always  
different, it was  
all so plain to see. Didn't want to be a fireman, a  
cowboy, or a cop.  
I  
was always different like a sore thumb I stuck out.  
Because even in  
my dreams I won't pretend to age, I knew a life of  
normacy was nothing  
but a cage.  
When I grow up, I don't want to be like you!  
To be a barbarian would be a lot of fun. Sit around, eat  
raw meat in  
the mid day sun. I'd dance around the fire, like a  
madman I would  
yell, I'd smell a bit I'd fart a lot, I'd cut class and I'd  
belch. I'd  
sack the Roman Empire and do with a grin. I'd set the  
cities all  
ablaze...do it on a whim. And people would shriek as I  
was coming into  
town, because I'd bring my minotaur to help me fry it  
down.  
When I grow up, I want something fun to do. I don't  
know much, but  
this much I know is true..when life is short, I  
don't want to be like  
you!  
When I grow up I think I want to be white trash living in a  
trailer  
park and sitting on my ass. I'd beat my wife, I'd kiss my  
kiss, I'd  
pass out in the lawn. I'd steal my brewskies from my  
mom and often  
kick my dog. I'd go to work an hour later, bitch about  
my boss.  
And every friday night I think I'd bowl a round or two,  
because

standing watching monster trucks is just the thing to  
do!!  
When I grow up, I want something fun to do. I don't  
know much, but  
this much I know is true..when life is short, I  
don'  
t want to be like  
you!
