All you little birds better lock up tight 'Cause there's a
foul owl on the prow! tonight. Hey, little lark, get outta
the dark, Foul owl on the prow! Cute little jay, stay outta
his way, Foul owl on the prow! You just might be the
quail he'll tail, Foul owl on the prow! You just might be
the swallow he'll follow, Foul owl on the prow! If you
hear him hoot, scoot, If you pass his tree, flee, If you
catch his eye, fly, Don't wait to say goodbye. He's got a
yen for a purty little hen, Foul owl on the prow! He's
hungry for a chick, so get home quick, Foul owl on the
prow!â€¦whhhooo. If you hear him hoot, scoot, If you
pass his tree, flee, If you catch his eye, fly, Don't wait to
say goodbye. He's got a yen for a purty little hen, Foul
owl on the prow! He's hungry for a chick, so get home
quick, Foul owl on the prow!â€¦whhhooo Foul owl on the
