(Intro)

Our Father,  
that art in heaven,  
Hallowed be Thy name  
Thy kingdom come  
Thy will be done on earth as it is in heaven.

(Verse)

Do you hear me, God?  
I'm on my knees  
I pray to You for help indeed  
I come as of sooner  
My life Lord I give up  
And I tried everything but it failed  
Then I heard a voice  
Said son you have a choice  
Turn over your life to me

(Chorus)

Oh Lord I surrender  
I need more than Your help  
I need guidance of self  
Ok Lord I'll surrender  
White flag's waving  
I'll throw the towel in  
I need You  
Lord I'm so down down down  
Lost, ready to be found found found  
I surrender  
Oh Lord I surrender  
Oh Lord I surrender

(Verse)

I have tears in my eyes from a broken family  
I can't sleep at night from what I do in these dreams  
Take em away, all the mistakes  
God I'm not perfect  
To my rainy days, to sunny days  
Please give me purpose  
Then I heard a voice  
Said son you have a choice

Just turn over your life to me  
You will see

(Chorus)

Oh Lord I surrender  
I need more than Your help  
I need guidance of self  
Ok Lord I'll surrender  
White flag's waving  
I'll throw the towel in  
I need You  
Lord I'm so down down down  
Lost, ready to be found found found  
I surrender  
Oh Lord I surrender  
Oh Lord I surrender

Oh Lord I surrender  
Surrender render render render  
Oh Lord I surrender  
Surrender render render render  
Oh Lord I surrender  
Surrender render render render  
Oh Lord I surrender
